

### 12.82 School infrastructure fund and reserve funds.

1. A school infrastructure fund is created and established as a separate and distinct fund in the state treasury under the control of the department of education. Notwithstanding any other provision of [this chapter](#), the fund shall be used for purposes of the school infrastructure program established in [section 292.2](#).

2. Revenue for the school infrastructure fund shall include, but is not limited to, the following, which shall be deposited with the treasurer of state or its designee as provided by any bond or security documents and credited to the fund:

a. The proceeds of bonds issued to capitalize and pay the costs of the fund and investment earnings on the proceeds.

b. Interest attributable to investment of money in the fund or an account of the fund.

c. Moneys in the form of a devise, gift, bequest, donation, federal or other grant, reimbursement, repayment, judgment, transfer, payment, or appropriation from any source intended to be used for the purposes of the fund.

3. Moneys in the school infrastructure fund are not subject to [section 8.33](#). Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys in the fund shall be credited to the fund.

4. Any amounts remaining in the school infrastructure fund at the end of the fiscal year beginning July 1, 2010, and for each fiscal year thereafter, which are determined by the treasurer of state to be unencumbered and unobligated and otherwise unnecessary to make the payments for such fiscal year, shall be transferred to the rebuild Iowa infrastructure fund.

5. a. The treasurer of state may create and establish one or more special funds, to be known as “*bond reserve funds*”, to secure one or more issues of bonds or notes issued pursuant to [section 12.81](#). The treasurer of state shall pay into each bond reserve fund any moneys appropriated and made available by the state or the treasurer for the purpose of the fund, any proceeds of sale of notes or bonds to the extent provided in the resolutions authorizing their issuance, and any other moneys which may be available to the treasurer for the purpose of the fund from any other sources. All moneys held in a bond reserve fund, except as otherwise provided in [this chapter](#), shall be used as required solely for the payment of the principal of bonds secured in whole or in part by the fund or of the sinking fund payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds, or the payments of any redemption premium required to be paid when the bonds are redeemed prior to maturity.

b. Moneys in a bond reserve fund shall not be withdrawn from it at any time in an amount that will reduce the amount of the fund to less than the bond reserve fund requirement established for the fund, as provided in [this subsection](#), except for the purpose of making, with respect to bonds secured in whole or in part by the fund, payment when due of principal, interest, redemption premiums, and the sinking fund payments with respect to the bonds for the payment of which other moneys of the treasurer are not available. Any income or interest earned by, or incremental to, a bond reserve fund due to the investment of it may be transferred by the treasurer to other funds or accounts to the extent the transfer does not reduce the amount of that bond reserve fund below the bond reserve fund requirement for it.

c. The treasurer of state shall not at any time issue bonds, secured in whole or in part by a bond reserve fund if, upon the issuance of the bonds, the amount in the bond reserve fund will be less than the bond reserve fund requirement for the fund, unless the treasurer at the time of issuance of the bonds deposits in the fund from the proceeds of the bonds issued or from other sources an amount which, together with the amount then in the fund, will not be less than the bond reserve fund requirement for the fund. For the purposes of [this subsection](#), the term “*bond reserve fund requirement*” means, as of any particular date of computation, an amount of money, as provided in the resolutions authorizing the bonds with respect to which the fund is established.

d. To assure the continued solvency of any bonds secured by the bond reserve fund, provision is made in paragraph “c” for the accumulation in each bond reserve fund of an amount equal to the bond reserve fund requirement for the fund. In order further to assure maintenance of the bond reserve funds, the treasurer shall, on or before January 1 of each calendar year, make and deliver to the governor the treasurer’s certificate stating the sum,

if any, required to restore each bond reserve fund to the bond reserve fund requirement for that fund. Within thirty days after the beginning of the session of the general assembly next following the delivery of the certificate, the governor shall submit to both houses printed copies of a budget including the sum, if any, required to restore each bond reserve fund to the bond reserve fund requirement for that fund. Any sums appropriated by the general assembly and paid to the treasurer pursuant to [this subsection](#) shall be deposited by the treasurer in the applicable bond reserve fund.
